Non-deposition of E.P.F. by industrial units and trading firms in Maharashtra

2184. MISS SAROJ KHAPARDE: Will the Minister of LABOUR be pleased to state:

(a) whether it is a fact that a number of industrial units and trading firms in Maharashtra are consistently defaulting in depositing the EPF of workers with Government and are also not at all paying gratuity to the workers or the payments are delayed for long periods;

(d) if so, what are the details thereof; and

(c) what action Government propose to take against the erring units and firms so as to ensure justice to the workers?

THE MINISTER OF LABOUR (SHRI G. VENKAT SWAMY): (a) and (b) There are 768 industrial and trading firms in Maharashtra which have defaulted in payment of EPF dues. As the number of defaulting establishments is large it is some-what difficult to furnish their individual details. However, a statement showing the number of establishments in default of Rs. 10 lakhs and more in Maharashtra is annexed, (*see* below). The record of payment of gratuity is not centrally maintained.

(c) Necessary legal and penal action as provided under EPF & MP Act and also under section 406/409 of the IPC is already being taken to recover the dues against the defaulting establishments.
